

PHYSICIAN ASSISTANT RULES

Significant changes were made to the physician assistant practice act, Chapter 4730 of the Ohio Revised Code, in Senate Bill 110, effective October 15, 2015. As a result, the rules applicable to physician assistants must be reviewed for consistency with the new provisions of the Ohio Revised Code.

The Medical Board, with the recommendation of the Physician Assistant Policy Committee, plans to amend those rules that are necessary to implement the Ohio Revised Code and rescind all rules that merely restate the provisions of the Ohio Revised Code or which are no longer required. The plan calls for guidance documents to be issued where appropriate instead of having rules that merely restate the Ohio Revised Code. Current guidance documents are available on the Medical Board's website at the following link:
