EXECUTIVE COMMITTEE – 9:30 a.m. –Room 1932

- I. Meeting with Ohio State Medical Association Leadership
 - a.) Licensure Issues
 - 1.) On-Line Medical License Renewal
 - 2.) Designation of Practice Location

The OSMA requests that the Medical Board add a field to their on-line and paper renewal form that would indicate whether a physician is practicing in Ohio. Many physicians renew their Ohio license, but do not practice in the State of Ohio. The OSMA has reported on the physician exodus from the state due to professional liability costs, and it would be useful to not only know how many physicians are licensed in Ohio, but how many are practicing in Ohio.
