

The rules in Chapter 4774-1 related to licensure of radiologist assistants are being circulated for comments from interested parties. The proposed changes are highlighted below.

- 4774-1-01 Definitions: No changes proposed.
- 4774-1-02 Application for a certificate to practice: Changes to align with licensure rules for other license types.
- 4774-1-02.1 Military provisions related to certificate to practice as a radiologist assistant: This rule is currently pending with CSI for rescission, as part of the rule package that consolidates all of the military rules into one chapter, 4731-36, OAC.
- 4774-1-03 Renewal of a certificate to practice: Proposed to be rescinded. Most provisions are repetitive of the statute and have been consolidated into 4774-1-02, OAC.
- 4774-1-04 Miscellaneous provisions: No changes proposed.
