HAGEN, Karl Matthew, M.D. (35.122568) – Orlando, Florida

Based on prior action by the Florida Department of Health which reprimanded the doctor and fined him \$10,000; ordered additional medical education and an evaluation based on errors or omissions made during surgery. Notice of opportunity for hearing mailed December 11, 2014.

HOWARD, David Anthony, L.M.T. (33.019313) – Cincinnati, Ohio

Based on allegations that the massage therapist engaged in sexual misconduct with three patients. Notice of opportunity for hearing mailed December 11, 2014.

VELIGANDLA, Himachala Rao, M.D. (#35.087893) – Somerset, Kentucky

Based on prior action by the Kentucky Board of Medical Licensure which temporarily limited the doctor's license by ordering that he shall not practice interventional cardiology and that he must complete a clinical skills assessment in interventional and diagnostic cardiology and enter into an educational plan if recommended. Notice of opportunity for hearing mailed December 11, 2014.

FINAL ORDERS

ANGERBAUER, Steven Ralph, M.D. applicant – New York, New York

Application for medical license permanently denied. Based on prior action by the Medical Quality Assurance Commission of the State of Washington which placed the doctor's license under monitoring for a period of two and one half years, in addition to other requirements, based on findings relating to the doctor's treatment of a patient who he met at a gentlemen's club for whom he prescribed significant amounts of hydrocodone and was found to have violated appropriate physician-patient boundaries with respect to the same patient. (Journal Entry-Hearing Not Timely Requested). Order effective December 11, 2014.

MACATOL, Michael Christopher, M.D. (#35.095993) – Columbus, Ohio

Medical license suspended for an indefinite period of time, but not less than one year from October 8, 2014 with interim monitoring conditions and conditions for reinstatement or restoration of license established. Upon reinstatement or restoration of license, the probationary terms, conditions and limitations of the October 2012 Step II Consent Agreement shall remain in effect for at least five years following the date of reinstatement or restoration. Based on findings that the doctor is impaired in his ability to practice according to acceptable and prevailing standards of care because of habitual or excessive use or abuse of drugs, alcohol, or other substances that impair ability to practice; failure to timely call in to a Board approved drug testing facility and to present to a collection site on multiple dates in 2014 and failure to maintain participation in an

alcohol and drug rehabilitation program on multiple dates in 2013 and 2014. Order effective December 11, 2014.

WEST, Lisa Ann, D.O. (#58.004609) – Barberville, Kentucky

Osteopathic training certificate revoked based upon a finding that doctor violated the terms of her September 12, 2013 Step II Consent Agreement due to her relapse on alcohol and on her impairment of ability to practice according to acceptable and prevailing standards of care because of habitual or excessive use or abuse of alcohol. Order effective December 11, 2014.

CONSENT AGREEMENTS

ERICKSON, Mary Jo-Ellen, M.D. (#35.073493) – Dayton, Ohio

Medical license suspended for an indefinite period of time of at least one year with conditions for reinstatement and interim monitoring conditions established, including the requirement that the doctor enter into a subsequent consent agreement incorporating probationary terms, conditions and limitations as determined by the Board. Based on the admission that the doctor is impaired in her ability to practice according to acceptable and prevailing standards of care because of habitual or excessive use or abuse of drugs, alcohol, or other substances that impair ability to practice and allegations that the doctor committed acts constituting a felony in obtaining prescription medication. Agreement effective December 10, 2014.

PATEL, Dennis A., M.D. (#57.017700) – Toledo, Ohio

Medical training certificate suspended for an indefinite period of time, with interim monitoring conditions and conditions for reinstatement established, including the requirement that the doctor enter into a subsequent consent agreement incorporating probationary terms, conditions and limitations as determined by the Board. Based on the admission that the doctor is impaired in his ability to practice according to acceptable and prevailing standards of care because of habitual or excessive use or abuse of drugs, alcohol, or other substances that impair ability to practice. Agreement effective December 10, 2014.

SWANSON, Shannon Lee, D.O. (#34.008887) – East Springfield, Pennsylvania

Osteopathic medical license continues to be suspended for an indefinite period of time under Addendum to May 14, 2014 Consent Agreement. The doctor admits that the indictment filed against her in the Ashtabula County Court of Common Pleas was dismissed without prejudice on November 12, 2014 and a new indictment was filed against her on November 19, 2014 alleging multiple felony charges including Aggravated Trafficking in Drugs, Trafficking in Drugs and Illegal Processing of Drug Documents. Based on doctor's refusal to provide certain factual information to the State Medical Board of Ohio regarding a criminal matter pending against her in the Court of Common Pleas of Ashtabula County, Ohio. Addendum to Agreement effective December 10, 2014.

Please note that revocation and suspension Orders are not always effective immediately. If you have questions about effective dates or conditions governing a doctor's practice before a Board Order takes effect, please contact the office.

Ohio law permits appeal of a Board Order to the Franklin County Court of Common Pleas. Due to this possibility and the potential for a stay that might delay the imposition of a Board action, you may wish to contact us periodically to verify a given practitioner's licensure status.

Most current citation letters, Board Orders, consent agreements and voluntary surrenders or retirements are available on the Medical Board's website at <http://www.med.ohio.gov/> under "Licensee Profile and Status."
