

March 18, 2020

Dear Primary Care/Pediatrician/OB-GYN Partners,

Last week, I sent information to you from the Centers for Disease Control and Prevention (CDC) regarding COVID-19, pregnancy, children, and breastfeeding. This letter contains information and resources from the Society of Maternal Fetal Medicine (SMFM) and the American College of Obstetricians & Gynecologists (ACOG):

- SMFM information on “Coronavirus (COVID-19) and Pregnancy: What Maternal-Fetal Medicine Subspecialists Need to Know” (attached).
- Algorithm for the “Outpatient Assessment and Management for Pregnant Women With Suspected or Confirmed Novel Coronavirus (COVID-19)” jointly developed by SMFM and ACOG (attached).
- “COVID-19 and Pregnancy: FAQ for Patients” (attached).
- BabyCenter and SMFM Key FAQ “Coronavirus (COVID-19) Pregnancy FAQs: Medical Experts Answer Your Questions” available at https://www.babycenter.com/0_coronavirus-covid-19-pregnancy-faq-medical-experts-answer-yo_40007006.bc.
- ACOG “Practice Advisory for Novel Coronavirus 2019 (COVID-19)” available at <https://www.acog.org/Clinical-Guidance-and-Publications/Practice-Advisories/Practice-Advisory-Novel-Coronavirus2019?IsMobileSet=false> with links to additional information.

In addition, CDC recommends considerations in outpatient settings in its “Interim Guidance for Healthcare Facilities: Preparing for Community Transmission of COVID-19 in the United States” available at <https://www.cdc.gov/coronavirus/2019-ncov/healthcare-facilities/guidance-hcf.html>.

Finally, here are a couple of additional resources that may be of interest to you:

- A listing of “Resources for Parents and Children on the COVID-19 Crisis” (attached).
- “Top 10 Parenting Tips During the COVID-19 Crisis” (attached).

We hope that this information is helpful to you.

Sincerely,

Russ Kennedy
Deputy Director/Director of External Affairs
Ohio Department of Health
